

In Cloud Wine

Every wine on our list is curated to make choosing fun, not fussy. Each pick reflects the moment: the time of day, your company, your food, or the reason you're here. We've organized things simply, from crisp and lean to bold and rich, to spark conversation and help you find something you'll love. The list isn't sorted by price. It's built to guide, surprise, and invite questions.

Let's find your perfect pour 🍷.

Bree's Pick

2021 Quinta da Boa Esperança, Arinto, Vinho Regional Lisboa, Portugal, 75

An ode to Chef Jorge whose roots are Portuguese. This wine screams, "pair me with oysters!" or any seafood for that matter. Think Meyer lemon, pineapple, and lime with a touch of salt. Divine.

Viv's Pick

2022 Lunae Vermentino, Cantine Lunae, Liguria, Italy, 70

This wine makes me feel like I want to be on the coast by the water. The notes of white peach, reminiscent of fuzzy peaches, grapefruit, and white flowers, are magnifique! To die for with our corn and chickpea salad or ceviche.

Somm's Local Pick

2022 Stratus, Cabernet Franc, VQA Niagara Escarpment, Ontario, 75

This is the most versatile wine on the list! Cabernet Franc is the rock star of red varieties in Ontario, and this wine by Status is no exception. This wine is robust, juicy, firm, yet elegant. A perfect pairing with salmon, our radius burger, and the filet mignon. An explosion of blackberries, cherries, a touch of fresh herbs, and a hint of smoke. Enjoy.
